

# PHOENIX

## ARIZONA

\* All times are ET

**FRIDAY, MAY 8, 2026**

- |            |  |
|------------|--|
| 10 a.m.    | <b>Check-in and Networking</b><br>Kick off the day with coffee and a chance to connect with fellow rare disease patients, families and caregivers.   |
| 10:30 a.m. | <b>Opening Keynote Address</b>   |
| 10:50 a.m. | <b>Innovative Approaches to Improving Your Rare Disease Care</b><br>In an era of scientific and technological advances, rare disease care is changing every day. Join us for a robust panel discussion diving into different approaches to navigate and improve your rare care throughout each step of your journey. |
| 11:40 a.m. | <b>Networking &amp; Exhibiting</b><br>Enjoy the opportunity to connect with others, navigating similar journeys and explore our exhibitor section.   |
| 12:05 p.m. | <b>Tips for Accessing the Resources and Services You Need</b><br>Living with a rare disease does not come with a manual or how-to guide. In this session, we will share tips to access the resources and services you need that are available in your local area.  |
| 12:50 p.m. | <b>Closing Remarks</b>   |
| 1 p.m.     | <b>Lunch &amp; Conclude</b><br>We hope you've enjoyed today's program! Grab some lunch and feel free to continue networking.   |
